Direct Service			
Total staff (including support)			

The total # of leavers includes all leavers: voluntarily, involuntarily due to dismissal, retirement, etc.

Example: In 2006, in an organization with a total staff of 47 employees, 5 employees leave. The total number of leavers then is 5, which when multiplied by 100 equals 500. This is divided by the average total number employed for this period of time (45), which results in an 11% turnover rate for total staff.

- Provide commentary regarding your agency's turnover rate
 - Explanation of past turnover rate.
 - Anticipated future turnover rate.
- Describe systems in place to encourage staff retention.

III. Availability/Accessibility

- D. Identify each location where services will be provided. Include the street address, city, and zip codes for all locations.

- E. Using Attachment C (Availability/Accessibility to Clients) identify your agency's location in relation to public access.

IV. Budget Completion/Fiscal Resource Allocation

Complete the following Price Quotation sheet and a Budget Statement (CM-468) and Budget Detail Sheets (CM-468A) (http://www.michigan.gov/documents/CM-468ex_15681_7.xlt) in accordance with instructions. The bidder should complete the Budget forms only for the first 12 months if the bid response is for a multi-year period.

The bidder should submit price quotation and budget in an envelope separate from the rest of the bid response.

- If the initial period of the contract is for less than 12 months, a prorated contract amount will be calculated accordingly.
- The price established and approved by DHS will be in effect for the entire period of the contract and cannot be changed during that time.

Budget Narrative

Use the attached template, Resource Grid (CM-0043) www.michigan.gov/documents/CM-0043_162118_7.doc to provide a narrative

description of all resources the bidder requires to meet the requirements of the contract. Please be as brief as possible, while including all pertinent information.

1. Itemize (without indicating actual dollar amounts) the types of employees benefits offered, the square footage of each facility, supplies, travel mileage and other resources included in your budget. Be as specific as possible and quantify all resources whenever possible.
2. If resources will be provided through another source, identify the source and type of funds to be used. All match and in-kind funding should be identified and explained.

This information will be used to determine whether or not the resources included in the price quotation are adequate to provide the services DHS wishes to purchase as stated in the RFQ. The budget narrative will be compared to the price and budget documentation for each bid response submitted by an individual specifically assigned to conduct a fiscal review.

NOTE: Do not include figures that would indicate the dollar amount of bid response or unit cost in this section. Dollar amounts should be stated in the sealed price/budget portion of your response.
